

REMARKS

Claims 1-8 remain pending in the application and have been allowed.

Claim 1 is proposed to be amended herein to even further clarify the definition of aspect ratio. This change was discussed with the Examiner in a telephone conversation on April 20, 2009. The Examiner advised that the change reinforced his interpretation of the claim and would likely be entered. The change is not proposed to be made for any reasons related to patentability.

It is respectfully submitted that the proposed amendment does not add new matter and does not affect the allowability of the application. The need for the proposed change was only recently discovered and its entry would not place undue burden on the Patent and Trademark Office.

Favorable consideration and entry hereof are earnestly solicited.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Mark A. Williamson/
